

The Cord Caddy™

The Only Cord Organizer For Hospital Monitors

BEFORE

AFTER

The Cord Caddy improves nursing efficiency and critical patient care areas with:

- Faster application of leads, saving valuable nurses' time, resulting in quicker patient assessment and treatment.
- Elimination of the frustrating hassle, time loss and subsequent stress induced by time spent untangling cords.
- Improved infection control from keeping cords off floor.
- Cost savings due to the decrease in number of lost and broken cables.
- Easier movement of equipment and caregivers around bedside.
- Reduced potential for tripping accidents.
- Dramatic improvement in the appearance of the patient room.

BECAUSE A NURSE'S TIME IS TOO VALUABLE TO BE SPENT UNTANGLING CORDS!
